

## *Gifts of Merit*

RSOL is the grateful recipient of gifts throughout the year from corporations, businesses, and individuals. It is important and very appropriate that we should publicly recognize this generous support of our projects. RSOL instituted the 'Gifts of Merit' listing in the Symphony playbill at the beginning of the season. Your Board of Directors has chosen to list donors according to the value of their contributions. The categories are \$300-999; \$1,000-4,999; and over \$5,000. This report should include donations made between July 1, 2016 and June 30, 2017 . Including our members' contributions is equally important. It says thank you publicly and shows the value we place on our membership in the organization and on the Richmond Symphony.

Below is a form for reporting your TAX DEDUCTIBLE contributions. On a separate page, please list the value of in-kind donations you made (stamps, decorations, food, etc. for which you were not reimbursed). Please list any other non-members' contributions (and event name) you know about... to leave someone out would be terrible! Duplications will be removed. If your donations total \$300 or more, please send the completed form to:
